

RESIDENTIAL ELECTRICAL CAPABILITY STATEMENT

COMPANY OVERVIEW

Audem Electrical is a Brisbane-based electrical contractor providing residential electrical services throughout Brisbane and South East Queensland. Since opening in 2021, we've grown into a team of more than 40 staff by delivering exceptional workmanship, reliable service and an experience customers are proud to recommend.

Whether it's a small repair, a switchboard upgrade or a complete home renovation, we make electrical work straightforward, safe and stress-free.
